

HedgePole, headquartered in Switzerland, is a well-established, financial services company with focus on dedicated technological solutions for global financial institutions and banks investing in hedge funds and private equity funds. For our Polish subsidiary **in Poznań**, to strengthen our team developing our web application used globally by investors and fund managers as financial data source, we are looking for a motivated individual who would like to extend his/her skills working as

.NET Developer

In this role you will:

- develop and enhance our web and desktop applications
- work independently and be able to put into work own ideas
- analyse issues and propose solutions
- have strong business support
- work closely with our .NET experts.

Our requirements:

- basic or good knowledge of VB.NET or C#
- knowledge of MS SQL Server and T-SQL
- communicative written and spoken English
- self-reliance, responsibility and willingness to develop in the field of IT
- knowledge of the MS Windows Server environment would be an advantage.

What we offer:

- flexible working arrangement in a well-organized and motivated team
- attractive compensation package in accordance with skills and experience
- additional benefits.

If you find our offer attractive and have the right qualifications please send your **CV** to HR@hedgepole.com

Prosimy o ustosunkowanie się w dokumentach aplikacyjnych do stawianych oczekiwań oraz dołączenie oświadczenia: "Wyrażam zgodę na przetwarzanie moich danych osobowych zawartych w ofercie pracy dla potrzeb niezbędnych do realizacji procesu rekrutacji (zgodnie z Ustawą z dnia 29.08.97 r. o Ochronie Danych Osobowych Dz. U. Nr 133 poz. 883)".
